RED WINGS TRIM CALGARY SPARTANS 3-3

When it was learned on Saturday that Calumore would not be on hand, a game with the Calgary Spartans was arranged and the result was one of the best encounters to be seen here this season.

The score Red Wings 3, Spartans 3, shows that the game consisted of the wide open style of hockey. With Collison and G. Giroux both putting in a good performance, the Wings had the best of things throughout.

In the first period G. Giroux tallied twice on clever plays, getting one assist from brother Bill; with the Spartans scoring their first on a pretty combination play.

G. Giroux scored again early in the second, when he slipped through the Spartans' defence. Spartans then scored and near the end of the period Van Tighem pushed another one into the Calgary goal to make it 4-2.

Spartans scored early in the last period and then the Red Wings' first line cut loose, scoring three goals in about as many minutes. Collison scoring the first on C. Giroux's pass, then Charlie netted Collison's pass and then Collison gave an assist to G. Giroux who scored and near the end of the game Collison again scored, shooting from behind the net and the puck rolling in off the Calgary goalie.

E. Cameron as referee, handled the game in a very efficient manner.

Miss Peggy Eves was the week end guest of Miss Florence Garrett.

Mrs. W. S. Atkinson and baby daughter Margaret Mary arrived home from Calgary last week and are all joyfully receiving visits from many friends.

The best day of the season (Monday) February 1st. A banquet, concert and dance for 50 cents and the chance of a gift of ten bucks for good measure. Be fair to yourself. Can you afford to miss it?

NIGHTINGALE

The Ladies of the W. I. enjoyed a very pleasant afternoon at their regular meeting at the home of Mrs. Jackson last Thursday. The roll call was current events and brought forth considerable discussions. The business of the afternoon was the appointment of convokers, directors and committees. A program for 1936 was drafted and the ladies are looking forward to a better and more prosperous year. During 1935 this institute held 29 meetings with an average attendance of 175. A number of excellent papers were read and much work accomplished. The next meeting will be held at the home of Mrs. Otto on January 29th. All ladies of the community are welcome to attend these meetings.

Mrs. Audrey Hilton with Rosemary Ronald and Douglas are visiting with her parents at Maple Creek, Sask. They expect to be gone several weeks.

Mrs. Stoodley had a visit with the dental last Friday. She came home minus her molars but is still cheerful as ever.

Kathleen, Hartman, Audrey Thompson and Louella Stenmark have returned to Calgary to resume the high school studies.

Teddy McConnell is the proud possessor of the bicycle voted for at the contest in Lambert's Store.

In spite of cold weather and hard roads the school children are establishing a splendid record for school attendance.

We understand a program is being prepared to be held in Hall soon for the benefit of church funds.

Valentine Dance, Friday, February 14th, under the auspices of the Anglican Ladies Guild.

Simply, sincerity, and solemnity marked the service held Tuesday morning in memory of our late beloved Sovereign King George V. The service was conducted by Mayor Gardiner, assisted by Rev. V. M. Gilbert and Mr. S. H. Crawford.

Mayor Gardiner announced the hymn and form of service. Scripture readings were by Mr. Constance with the prayers and address being given by Rev. Gilbert. A combined prayer with Mrs. Garrett as pianist rendered suitable music. The entire service was particularly impressive.

Rev. Gilbert in pointing his address to the service said in opening, that so much had been said in the Press of the life and work of the late King, that he wished to take up another side and speak more particularly of the effects of his life on posterity. Those were developed from his unyielding devotion and keen interest in the welfare of his people and the Empire at large. By example and thought he had at all times exerted a strong influence towards well and purposeful living, and ever gave a close and watchful attention to the post of duty.

By so doing he captured and lastingly held the affection and esteem of a circle far beyond those of his own subjects.

A reign of national achievement, of sternness and peril, staunchly unswerving, has ended.

A great name has been added to that of rulers who have been loved by their people because they served humanity, faithfully and well.

During his reign, when thrones had fallen, Dictatorships had been set up, but the British throne is more firmly established in the hearts of its people than ever before.

King George in the fulfillment of his days has left a record of devotion to his people and Empire, and a deep reverence for virtue and simplicity in life that has endeared him to the hearts of his people.

We mourn his death.

GLENCAIRN

Bob Groves, Glencairn Farmers who won games on Wednesday and Sunday, are now in second place in the Big Five Hockey League. That rabbit's foot, which Bob carries in his watch pocket, certainly has brought lady luck this time.

Stu Groves was the outstanding marksmen for Glenairn, scoring two goals in each game.

The Wednesday game against Lytla was slowed up somewhat by warm weather and snow. However in the last period with better ice, the Lytla team played fast hockey in score. The game ended 3-2 in favor of their desperate effort to even up the Glencairn.

On Sunday, Delacour was always dangerous but the Glencairn defense men were playing heads up hockey and managed to keep the play at a respectable distance from the local goal. Keen ice helped to make the game fast. The final score was 3-0 for Glencairn.

However in one respect Delacour has it all over Glencairn. The local boys put on power plays with a couple of brothers but Delacour just does one better. Not to be outdone, and in a way which is probably unique in all hockey history, Delacour puts on father and son acts. Good luck to you, Delacour.

The dedication of the Jubilee Photographs of the late King George V and of Queen Mary presented by the Public Benefit Club to the Carleland School, took place in association with a Memorial Service in the United Church, Monday afternoon. In school children marched from the School to the Church, the flag being carried at the head of the procession by Jack Earl and Bernhardt Christensen. After a moment of silence, and the singing of O God Our Help in Ages Past, Rev. Forster spoke to the presentation and Memorial. Following the address Mrs. C. Fryer on behalf of the Church presented the pictures and Mr. E. Hoover, Principal of the School, accepted in the name of the name of the staff and pupils. Mrs. Standley presided at the organ. The service closed with singing: O Bless our Native Land, and The National Anthem.

Star Enjoys Canadian Winter Sports

Nancy Carroll, red-headed Hollywood star, had her first taste of winter sports at Quebec over New Year's. "I have skied on artificial ice in Hollywood," she said to Jack Strachan, Sports Director at the Chateau Frontenac, "but skiing, tobogganing, and dog sled riding are all new experiences." Her first ski lesson turned her into an enthusiast for breakfast off the ski-board.

UNITED CHURCH ANNUAL MEETING

The Annual Congregational meeting of the United Church, Strathmore was held Monday evening. A choice supper was served to about 100 members and adherents of the Church by the Ladies Aid. Following this Rev. Gilbert called the meeting to order for the reading of the report and reports and transaction of general business.

The reports all showed a pronounced upward trend in the financial side.

Reports given were as follows: Church Board, U. A. Perry; Sunday School, Mrs. Milson; Y. P. S. and Choir, Edith Hirtle; Ladies Aid, Mrs. Nichol; C. G. T. Union, Gilbert; Church Envoys, given by Mr. Gilbert for Miss Hughes. Church School and Pastor's report was given by Rev. V. M. Gilbert. A particularly optimistic and healthy condition was pictured in this report, and Mr. Gilbert expressed his warmest thanks for the general cooperation he had received during his 7 months pastorate.

Church officials were next elected according to the Presbyterian form of Church government, resulting as follows:

Committee of Stewards—Mr. McGregor, Miss G. Hughes, Dr. Gilbert, Mr. D. McMurray, Mr. R. Brown, Mr. S. H. Hirtle and Mr. L. Campbell.

Church Elders—Messrs. Garret, Miner, Laycraft and Mrs. V. Gilbert.

After some general discussion the meeting adjourned with a meeting of the committee of Stewards arranged for Tuesday evening.

CARSELAND

The dedication of the Jubilee Photographs of the late King George V and of Queen Mary presented by the Public Benefit Club to the Carleland School, took place in association with a Memorial Service in the United Church, Monday afternoon.

In school children marched from the School to the Church, the flag being carried at the head of the procession by Jack Earl and Bernhardt Christensen. After a moment of silence, and the singing of O God Our Help in Ages Past, Rev. Forster spoke to the presentation and Memorial. Following the address Mrs. C. Fryer on behalf of the Church presented the pictures and Mr. E. Hoover, Principal of the School, accepted in the name of the name of the staff and pupils. Mrs. Standley presided at the organ. The service closed with singing: O Bless our Native Land, and The National Anthem.

The U. F. W. Local met at the home of Mrs. L. A. Phillips Thursday last to arrange for the 1936 program of meetings.

Representatives were present from Namaka, which appointment will hold its meeting later, as well as Cheadle.

SHOWER FOR BRIDELEET

It was a happy gathering which assembled in the Memorial Hall at a miscellaneous shower, arranged in honor of Miss Bertha Gray, whose marriage to Mr. Kenneth Hilliard will be an early February event.

Hostesses for the occasion were: Mesdames Garrett, McGregor, White, Glendinning, A. P. Gray, Mrs. S. S. Sorenson, Strimling, Dover and Mrs. F. Garrett.

The hall was tastefully decorated with pink streamers centering in a large white wedding bell. The table with its glistering silver and crystal and the central arrangement of lovely shaggy mums looked most attractive.

An informal program of music, comedy and a mock wedding was a very merry staple. The participants in this wedding were the experienced churchman, Mr. Wm. Sorenson, the groom Edith Hirtle, the bride Edith Sorenson, flower girls Bernice White and Helen Strimling. No deprecating comments were made as to the creations of the costumes chosen by this "bridal party," seeing only, no words could avail.

After tea and coffee were Mrs. Hoover, Mrs. Garrett, Mrs. McGregor, and Mrs. Glendinning with a bevy of young girls acting as servers.

Following this a raffle was called to the fore and a beautiful and numerous array of gifts were awaiting her unwrapping, accompanied by the best wishes of her many friends. The guests numbered about 120.

Owing to weather conditions the congregational meeting has been postponed until a later date.

At the Convention of the Provincial Weekly Papers held last week in Edmonton, G. C. Duncan of the Drumheller Mail was elected President. 1st Vice—H. G. Halliwell of Coleman, 2nd Vice—F. P. Galbraith of Red Deer, Sec. Treas.—H. G. McKee of Hanna.

Executive—H. C. Jessup of Medicine Hat, D. Dunlop of Sylvan Lake, H. J. Ford of Lacrosse, A. J. L. Leduc of Airdrie.

A basic price or scale for printing to govern all printing firms in the Province and outsiders taking orders in the Province, was unanimously adopted. A further important resolution was passed asking the National body to investigate the growing and untoward tendency of asking the weeklies to carry reports and news stories in reader form, when these are really advertising matter.

L' ENVOI

Rudyard Kipling
When Earth's last picture is painted,
and the tubes are twisted and dried,
When the oldest colors have faded,
and the youngest virtue has died,
We shall rest, and faith, we shall need
it—its dawn for an hour or two,
O! the Master of All Good Workmen
shall put us to work anew.

And those that were good shall be happy,
They shall sit in a golden chair;
They shall splash at a ten-league can-
vas with brushes of Gossamer hair;
They shall find real saints to draw
(from—Magdalene, Peter and Paul);
They shall work for an age at a sit-
ting and never be tired at all.

And only the Master shall praise us,
and only the Master shall blame;
And no one shall work for money,
and no one shall work for fame;
But each for the joy of working, and
each, in his separate star,
Shall draw the Thing as he sees it,
For the God of Things as They Are

As regards childhood guidance, we
have shown that the principal aim

should be the cultivation of proper
social interests in terms of which
social and healthy goals can be crys-
tallized. It is only by training children
to fit in with the social scheme that
the universal sense of inferiority is
arrested properly, and is prevented
from engendering either an inferiority
or superiority complex.

Social adjustment is the obverse
side of the problem of inferiority. It
is because the individual man is in-
ferior and weak that we find human
beings living in society. Social inter-
est and social cooperation are there-
fore the salvation of the individual.
(from "The Science of Living" by
Alfred Adler)

Authority must not rest upon force
—it must be based solely on the so-
cial feeling. The school is a situation
which, every child experiences in the
course of his psychic development. It
must, therefore, be adequate to the de-
mands of healthy psychic growth. We
can speak of a good school only when
that school is in harmony with the
necessities for a healthy psychic de-
velopment. Only such a school shall
we ever be able to consider a school
for social life.
(from "Understanding Human Nat-
ure" by Alfred Adler)
